### 1. AI Use Summary

| Question                                            | Student Response |
|-----------------------------------------------------|------------------|
| Did you use any AI tool for this lab?               | <b>Yes</b>       |
| Estimated percentage of the work influenced by AI   | %                |
| Did you attach evidence of AI use where applicable? | <b>yes</b>       |

### 2. Details of AI Use

Complete the table below for each AI tool used. Add more rows where necessary.

| Name of AI Tool Used | Purpose for Using the Tool | Prompt or Instruction Given to the Tool | Part(s) of the Work Influenced by the Tool | How I Verified, Edited, or Improved the AI Output |
|----------------------|----------------------------|-----------------------------------------|--------------------------------------------|---------------------------------------------------|
| chats                | learning                   | Neural Network                          | Lab 3                                      | Attached                                          |

### 3. Attachment of AI Output Evidence

Where required, attach evidence of AI use. Tick all that apply. Add more rows where necessary.

| Evidence Type                         | Attached?<br>(Yes, No, N/A) | File Name |
|---------------------------------------|-----------------------------|-----------|
| AI-generated draft                    | Yes                         | Attached  |
| Prompt history                        | Yes                         | Attached  |
| Screenshot of AI interaction          | Yes                         | Attached  |
| Exported AI conversation              | Yes                         | Attached  |
| AI-generated code snippet             | Yes                         | Attached  |
| Revised version showing student input | yes                         | attached  |

#### 4. Student Declaration
